

Fundraising!!!

We would like to thank all you individual donors for the generous support you have offered. So far we have raised over \$7,000.00, which is a wonderful place to be this early in the season! Hubbard Hall Opera Theater is truly run on a shoe-string budget, yet that budget far exceeds the amount of the average Theater Company at Hubbard Hall production, mainly because we are hosting a twenty piece orchestra. With this in mind, HHOT is still looking to raise \$5,000.00 before July 1st of this year. Our goal is to make this production be the same stellar quality as everything else produced at Hubbard Hall, but not to put the overall budget under any strain in the process. If we are able to achieve this goal, we can insure many more fabulous operas to come in the future.

YOU CAN HELP not only by telling all of your friends and encouraging those closet opera listeners to come on out and support local arts, but also by thinking about any businesses you know, music related or otherwise, that might like to help sponsor our production by **purchasing an advertising space** in our program.

We are offering three levels of support: \$250 for a quarter page advertisement, \$500 for a half page, and \$1,000 for a full page. All participating companies will receive recognition in the appendix of our program along with individual donors, as will any company choosing to gift less than the cost of an advertisement. All donations are fully tax deductible.

If you have any questions, please contact Alix at alixjones@hubbardhall.org.

If you are an individual and would like to donate, you may mail your check directly to the Hall, and please don't forget to include our acronym HHOT in the note section. A donation form is attached and if you print page 2 of this document you may include it with your check.

IF YOU CAN'T CONTRIBUTE FINANCIALLY or already contribute to the Hall, you can support us in myriad other ways. If you email us, we will be happy to tell you how!
